Expand your network - Explore new market opportunities

IMLCON™ & IMDCON™ 2013 is the newest edition of the **International In-mold Labeling and Decorating Conference** organized by AWA Conferences & Events. Once again the conference is totally dedicated to in-mold labeling and decorating, its technology and markets.

Each year it attracts delegates from around the world who are involved in the growing and dynamic in-mold label, decoration and plastic packaging and product industry – from material suppliers, machinery manufacturers, converters, molders to brand owners.

IMLCON™ & IMDCON™ is a one of a kind event, and has become the established industry event and conference for the in-mold labeling and decorating sector”.

Presentations by leading industry players, the latest technologies, discussions on today's industry issues, new innovations, panel discussions and up-to-date market intelligence.

We look forward to seeing you in Phoenix

Sponsorship Opportunities

Sponsoring the event is an excellent way to showcase your company and products.

The dedicated event has a proven track record as it is the 7th edition. Sponsoring the Conference and Workshop provides the opportunity to increase the awareness for your company's products and services among industry players and potential clients or partners. Exhibiting at the event will make networking easier and is an effective way to reach your target audience.

The conference attracts senior delegates from all over the world and participants covering all aspects of the value chain, making it an ideal platform to reach the industry.

We offer several sponsorship packages and the opportunity for you to create a tailored package to suit your company needs.

Contact us today so we can discuss what we can do for you.

Exhibition Opportunities

Tabletop exhibitions in the coffee break area are situated just outside the conference room which facilitates networking as people come to you.

If you would like to reserve a tabletop to showcase your company and products, please contact our Conferences & Events team.
